

IFMA 22 | Next Gens Program

Draft Program

Saturday March 2, 2019

Time	Session	Location
12:00pm – 1:30pm	Introductory Lunch In a facilitated manner, all of the participants will gather for lunch to meet each other, network and eat before activities.	Hotel Grand Chancellor
2:00pm – 3:00pm	Fun / Adventure Activity This will offer everyone a chance to have some fun and enjoy a different side of Northern Tasmania.	Hollybank
3:30pm – 5:00pm	Farm Tour As this property has built a solid brand and successfully handled the transition to younger leadership, this would provide a great case study for the Next Gen group to view and learn from. Not only would the visit involved looking around the property, but also a panel discussion with the farmers (if possible) to learn and talk to them directly. <i>After this everyone will be taken back to Launceston to refresh for the evening.</i>	Landfall
6:30pm	Dinner Dinner event for all to continue talking, meeting each other and networking.	TBC
