# AGRICULTURAL POLICY

EU agricultural policy has had clear objectives:

- Improve rural incomes
- Modernise farming through introduction of technology and farm restructuring
- Secure food supply

And then to defend the payment of subsidy

- (Environmental protection)
- (Prevent rural depopulation)
- (The European Farming Model)

# EXAMPLE POLICIES AND FAILURES

# WHAT DO YOU NEED TO DO?

1. How are TRQs to be divided?
2. Why import and export the same items?
3. Will UK retain EU tariffs?
4. Winning UK hearts:
  1. Traceability (block chain?)
  2. Certainty/hygiene
  3. Nuanced
  4. A story
